Visa Applicants

Adverse information as mentioned below exists on the following visa applicants:

Louis de CHOLLET - Of Swiss nationality, formerly an American citizen who lost his American citizenship. A censorship intercept of 1941 showed that subject expressed sympathies for the Nazis and admiration of Hitler's work as well as anti-Semitism.

F. Joseph G. VINGERHOETS - It is thought that this applicant may possibly be identical with a certain FINGERHOET, who has been reported to be a Dutch Nazi working with Michael OLEAN and others, all of whom are highly suspect because of large financial transactions with German authorities during the war.

Information on FINGERHOET was contained in Report No. 2243 from the Consulate in Basel, dated May 28, 1945.
